Pengantar Redaksi

Salam hormat rekan dosen, peneliti dan praktisi pengabdian masyarakat

Jurnal Jati Emas didirikan oleh Forum Dosen Indonesia (FDI), satu perkumpulan dosen yang berfokus pada pengembangan SDM dosen di level *grass root*, yaitu dosen-dosen pemula, dan dosen-dosen yang hanya memiliki fasilitas apa adanya. Dengan pemahaman bahwa kenaikan jenjang akademik berinti pada publikasi ilmiah, sementara berbagai penerbit jurnal ilmiah pada waktu itu (tahun 2017) masih berfokus pada publikasi hasil riset dan/atau kajian keilmuan, Jurnal Jati Emas memfasilitasi penerbitan naskah-naskah hasil pengabdian kepada masyarakat, maupun terapan keilmuan, yang mengacu pada kaidah-kaidah publikasi ilmiah.

Dalam perkembangannya, FDI meningkatkan status badan hukumnya, dari akte notaris Arie Prio Buntoro tertanggal 24 Agustus 2013, dan terdaftar di Kementerian Dalam Negeri (Kemendagri) Republik Indonesia dengan nomor surat 01-00-00/019/D.iii.4/IV/2015, menjadi Perkumpulan Dosen Indonesia Semesta (DIS) yang diresmikan di Bandung pada tanggal 24 Agustus 2020 dengan akta notaris nomor 03 tanggal 24 Agustus 2020 pada notaris Effie Putri Adji, SH. M.KN. Nama perkumpulan ini telah terdaftar di Kementerian Hukum dan HAM (Kemenkumham) Republik Indonesia dengan Surat Keputusan No. AHU-0010221.AH.01.07 Tahun 2020 tertanggal 18 November 2020.

Jurnal ini dinamakan *Jati Emas* (Jurnal Aplikasi Teknik dan Pengabdian Masyarakat) dengan suatu filosofi. Nama ini memiliki suatu harapan bahwa kegiatan pengabdian masyarakat yang dilakukan adalah bentuk pemberdayaan masyarakat agar masyarakat Indonesia dapat menjadi sekokoh kayu jati. Demikian juga dengan para dosen yang mengabdikan dirinya bagi masyarakat sekitar. Tetapi dalam kekokohnya juga tersimpan sifat kemilau emas sebuah prestasi dan kemurnian layaknya sebuah batu mulia.

Artikel-artikel pada terbitan ini merupakan salinan dari artikel yang telah diterbitkan sebelumnya pada laman OJS lama [Jati Emas](#). Sebagian besar naskah telah terekam di laman [Garuda](#) (34 judul) sementara sisanya (14 judul) diunggah baru untuk memberikan link per judul sebagaimana lainnya. Artikel yang telah ada di laman Garuda dibuatkan file rekap berisi link halaman abstrak, link dokumen naskah, dan link DOI. Naskah yang baru akan segera didaftarkan DOI. Mohon maaf atas ketidaknyamanannya.

Semoga jurnal ini dapat memberikan manfaat bagi semua pihak.

Nopember 2023

Salam hormat,

Perkumpulan Dosen Indonesia Semesta
